

This document is the property of Intellicore, Inc. and is not transferable. The certification mark(s) may be applied only at the location of the party authorized to apply the mark.

Control Number: 5300428-028 Authorized by: [Signature]
for L. Matthew Snyder, Certification Manager

This Authorization to Mark is for the exclusive use of Inertek, Inc. Client and is provided pursuant to the certification agreement between Intertek and its Client. Intertek's responsibility and liability is limited to the terms and conditions of the agreement. Intertek assumes no liability to any third parties for the Client's actions or omissions resulting from the use of this Authorization to Mark. Only the Client is authorized to permit copying or distribution of this Authorization to Mark and it is restricted to the conditions laid out in the agreement and its addendum.

The first two sections of this document are for informational purposes only. The first section must be approved in writing by Intertek prior to Initial Factory Assessments and Follow up Assessments and the second section is for informational purposes only. These documents are not for the purposes of production quality control and do not replace the client's internal quality control system.
